Subject: Request for Feedback on implementation of Suggestive Parameters for Selection of Peer-Reviewed Journals

आदरणीय महोदया/ महोदय,

As you are aware that the UGC-CARE List has been discontinued with effect from 11 February, 2025. Through a Public Notice dated 16 July, 2025, available on its official website, the University Grants Commission (UGC) has provided suggestive parameters for Higher Education Institutions (HEIs), including faculty members, research scholars, and students, to select appropriate peer-reviewed journals for publishing their research work.

In continuation of this development, all HEIs are requested to submit details of implementation on these suggestive parameters. For this purpose, a Google form is being shared with you through the link provided below:

You are kindly requested to submit your implementation details through the mentioned link on or before 05 January, 2026.

Your cooperation in this matter is highly appreciated.
